

# **PROCEEDINGS OF ANNUAL MEETING OF EXECUTIVE COUNCIL FOLLOWED BY 16<sup>th</sup> GENERAL BODY (GB) MEETING OF INDIAN COLLEGE OF VETERINARY PATHOLOGISTS (ICVP) HELD AT VETERINARY PATHOLOGY CONGRESS – 2023 AT ICAR-INDIAN VETERINARY RESEARCH INSTITUTE, IZATNAGAR, BAREILLY, UTTAR PRADESH**

---

The Annual Executive Council Meeting of ICVP was held at ICAR-Indian Veterinary Research Institute, Izatnagar on 20<sup>th</sup> December, 2023 at 6.45 PM. The meeting was chaired by President Dr. Vyas Singetgeri. The following College Council Members and Examination Committee members attended the meeting:

1. Dr. Vyas Singetgeri, President, ICVP
2. Dr. Amarjit Singh, Vice President, ICVP
3. Dr. R.V.S. Pawaiya, Secretary, ICVP
4. Dr. B.N. Tripathi, Ex officio (President, IAVP)
5. Dr. G.A. Balasubramaniam, Ex officio (Secretary General, IAVP)
6. Dr. N. Pazhanivel, Registrar, ICVP
7. Dr. K.P. Singh, Treasurer, ICVP
8. Dr. Pankaj Goswami, Editor, ICVP
9. Dr. Rinku Sharma, Councilor
10. Dr. Kuldip Gupta, Member, Examination Committee, ICVP

The 16<sup>th</sup> Annual General Body Meeting of ICVP was held at ICAR-Indian Veterinary Research Institute, Izatnagar on 21<sup>st</sup> December, 2023 at 6.30 PM. The meeting was chaired by President, ICVP Dr. Vyas Singetgeri. Following ICVP Diplomats attended the GB meeting:

1. Dr. B.N. Tripathi
2. Dr. Amarjit Singh
3. Dr. R.V.S. Pawaiya
4. Dr. G.A. Balasubramaniam
5. Dr. N. Pazhanivel
6. Dr. K.P. Singh
7. Dr. Pankaj Goswami
8. Dr. Rinku Sharma
9. Dr. Kuldip Gupta
10. Dr. Lal Krishna
11. Dr. C. Balachandran
12. Dr. R. Somvanshi
13. Dr. Rajendra Singh
14. Dr. M.K. Gupta
15. Dr. N.K. Sood
16. Dr. S.K. Mukhopadhyay
17. Dr. Rajeev Ranjan
18. Dr. S.K. Mukhopadhyay
19. Dr. S.A. Kamil
20. Dr. N. Virmani
21. Dr. Manjunatha S.S.
22. Dr. R.D. Patil
23. Dr. C.S. Mote
24. Dr. Vitthal Dhaygude

Dr. Vyas Singetgeri, President ICVP in his presidential remarks thanked the ICVP training committee

and Examination committee for their contributions to achieve the milestones of ICVP during 2023. Dr Singetgeri gave a brief description about the examination pattern being followed presently, and also updated about the changes in the examination pattern recommended by the **ICVP-High Power Committee** constituted as per the proceedings of the 15<sup>th</sup> Special GB meeting of ICVP held on 15<sup>th</sup> August, 2022. The committee was provided with the task to review the current pattern of the examination and suggest changes if any to be made to achieve the global equivalence gradually going forward. With the aim to bring in transparency and allowing overseas Board members to acknowledge the present system of ICVP Board Certification Examination which is almost similar to what is being practiced at ACVP and ECVP, the Committee suggested that it would be better if the ICVP can involve either an ACVP or ECVP representative to witness the Board examination and accordingly, may be invited considering the financial constraints, if any.

The changes suggested in the examination pattern going forward are the following:

➤ **Regarding Paper 5 – Histology Projections: -**

Continue with 50 projections **with marks reduced to 100 from present 150 (50 marks would be moved to paper 6, discussed next)** but gradually bringing objectivity in answering a minimum of 10 projections every year starting from 2024 exam and taking to all 50 projections in next a maximum of 3 years depending upon ICVP analysis/feed-back of the examinees. The histopathology-projections may be supported with gross image wherever required. The above changes would be in line with other certification colleges like ACVP. In any case the changes shall be completed latest by 2026)

➤ **Regarding Paper 6 – Glass Slide Examination: -**

**Increase marks from 100 at present to 150 (as mentioned above will be taken from paper 5)**

- In Paper 6 - Glass slides shall be continued with a Minimum of 8 slides having descriptive answers as per the current practice, each carrying 10 marks and thus making it  $8 \times 10 = 80$  Marks.
- In addition, it is proposed to have at least 4 digital histopathology slides each carrying 10 marks – which thus will mean  $4 \times 10$  marks = 40 Marks.
- Descriptive answers similar to glass slides for the digital slides will be expected from the candidates appearing in the examination. Digital slides, however, will be displayed on PC or Laptop (Computer). This change shall be introduced as per the resources available, i.e., either glass slides or digital slides or mix of both, but the goal is to bring in at least 12 slides (minimum 8 glass slides and 4 digital slides, or it could be 12 glass slides depending on the available resources). Additionally, only Digital histopathology images  $4 \times 5$  marks = 20 with objective answer(s) attached to each slide, and in addition to the digital HP images, there shall be images – one each of immunohistochemistry (IHC) and transmission electron microscopy (TEM)  $2 \times 5$  marks = 10.
- **Thus, total marks would be  $80 + 40 + 20 + 10 = 150$  for 16 cases.**

**Note:** The style of paper-6 shall continue for at least 3 years before any review in favour of any of the one type or continue as it is with some changes.

➤ **Other suggestions for the examination: -**

- i) Gradually increase objectivity at least by 10% every year onwards from subjectivity in the answers.
- ii) 10% - 15% questions in theory papers must be included from practical case situations.

Further, the President, ICVP also apprised about the interest shown by the Foreign National

pathologists to take ICVP Board Certification Exam, which was discussed by the above ICVP-High Power Committee and accordingly, the suggestions provided by the committee and agreed by the EC are following:

1. A suitable insertion/ amendment can be made in the ICVP by-laws, like - 'The Pathologist from countries other than India can take ICVP Board Certification Exam and offered Diploma of ICVP provided he/she has equivalent Veterinary Graduate qualification and specialization in Veterinary Pathology acceptable by the ICVP', instead of insisting on VCI registration and IAVP membership or offering an alternative eligibility. This is to pave the way to make ICVP more visible, and wider recognizable.
2. President also highlighted about the issue of resource slides and hence he urged and requested all the diplomates and resourceful head of the institutions to provide glass slides of good quality. He also requested the ICVP trainees to bring the quality slides along with the tissue blocks and the contributors will be duly & appropriately acknowledged.
3. The general secretary and president will write to quality control of Govt. of India and other national body for providing recognition of ICVP.
4. Standard operating procedures (SOPs) of the activities handled by ICVP shall be prepared. Accordingly, the committee under the chairmanship of Dr VK Gupta, former President of ICVP, was constituted (vide EC Meeting held on 27<sup>th</sup> November, 2023) for developing SOPs for various procedures followed for the conduct of Board Certification Examination and ICVP training. He will choose suitable members of the committee as per requirement. The SOPs and past records need to be used in preparing for recognition of the ICVP by VCI/QCI/Skill Development Council etc.
5. It was also discussed and agreed that the sad demise of those ICVP diplomates will be mentioned as deceased (late) diplomate in the list of Diplomates.
6. Further, after prolonged deliberations and to increase the visibility and providing better human resources to the ICVP, it was proposed and agreed upon to provide an opportunity to senior IAVP members having more than 20 years of experience for appearing in the ICVP examination without residency or training.
7. EC also approved the enhancement of the training fees from Rs. 1000/- (current) to Rs. 2000/- for one year & Rs. 6000/- for 3 years instead of Rs. 3000/- (current). The registration fees have also been enhanced to Rs. 1000/- as against Rs.500/- (Current).
8. EC was also of the opinion and approved that the letter shall be drafted by the secretary/ Vice President of ICVP to be sent to Association of Vice Chancellors, Veterinary Council of India, Director of ICAR Institutes regarding the recognition of ICVP for discussions and including it as an agenda item in respective association or board meeting and form a basis for recognising diplomate for promotions.
9. EC, ICVP approved induction of 4 newly passed out diplomates as member of ICVP.
10. ICVP treasure has submitted the report that a balance of Rs. 7.35 lakhs is available in the bank and an expenditure of Rs. 1.868 lakhs needed for an audit and exam etc.
11. EC, ICVP also approved generation of corpus fund, and appealed all diplomates to contribute amount for the same.

Dr. R.V.S. Pawaiya, Secretary, ICVP presented various activities of the College and Action taken report of the previous proceedings. He informed that overall 78 trainees were registered so far including 11 were registered in 2023. He also informed that there were total of 9 applicants in 2023 including 7 old and 2 new applicants for ICVP Exam. Of them, 6 appeared in the Exam. and 4 passed out.

Dr. Amarjit Singh, Vice-president presented, ICVP presented training report, informing that a total of 18 lectures were organized in 2023 from expert pathologists covering all the modules of the ICVP Board Certification Examination.

Dr. K.P. Singh, treasurer, ICVP presented financial statement of the college (*copy of the Audit report of the ICVP accounts is enclosed*).

The following issues were put before the general body for approval:

| Sl. No. | Issue   | Decision of EC, ICVP  | Decision of General Body   |
|---------|---|---|--|
| 1.      | Action taken Report and Approval of GB Meeting and EC of 2022   | It was circulated to ICVP diplomates for their approval and no suggestions or changes received.   | Approved   |
| 2.      | The payment of training fees to be made as 'one-time payment'. The instalment system of training fee may be dispensed with. | ICVP training fee may be deposited in full at the time of registration itself before starting the training. The training fee of the ICVP trainees maybe charged as one-time fee instead of the existing system of instalments, i.e., 500+1000 for 1 year training (Alternate Route) and 1500+1000+1000 for 3 year training (Standard Route).  | Approved   |
| 3.      | Nation-wide uniformity in the training standard   | A standard Workbook will be developed for the ICVP Trainees and given to each trainee at the time of registration so as to bring the nation-wide uniformity in the training standard.   | Approved   |
| 4.      | Enhancement of the Training Registration Fee  | It was decided to increase the existing training fee of Rs 1000/- to Rs. 2000/- plus Rs. 1000 as application processing charges, i.e., to Rs. 3000/- for 1 year training (Alternate Route) and Rs 3000/- to Rs. 6000/- plus Rs. 1000 as application processing charges, i.e., to Rs. 7000/- for 3 year training (Standard Route).   | Approved;<br>However, it was decided that the change in fee structure will come into effect from 1 <sup>st</sup> March, 2024 instead of 1 <sup>st</sup> January, 2024. |
| 5.      | Monitoring of progress and quality of training being imparted at different locations of registered trainees.                | It was decided that ICVP EC will depute observers to check the progress and quality of training being imparted to registered trainees at different locations.   | Approved   |
| 6.      | Changes in the syllabus and pattern of ICVP Board Certification Examination   | <p>In an effort to move forward for global equivalence and recognition of ICVP Certification Exam, it was decided to make the changes in the pattern of examination to include digital histopathological slide reading and objective questions in the papers, to bring it nearer to the global standards.</p> <p>The changes suggested in the examination pattern going forward are the following:</p> <p>➤ <b>Regarding Paper 5 – Histology Projections:</b> - Continue with 50 projections <b>with marks reduced to 100 from present 150 (50 marks would be moved to paper 6, discussed next)</b> but gradually bringing objectivity in answering a minimum of 10 projections every year starting from 2024 exam and taking to all 50 projections in next a maximum of 3 years depending upon ICVP analysis/feed-back of the examinees. The histopathology-projections may be supported with gross image wherever required. The above changes would be in line with other certification colleges like ACVP. In any case the</p> | Approved   |

|    |   |   |          |
|----|---|---|----------|
|    |   | <p>changes shall be completed latest by 2026)</p> <p>➤ <b>Regarding Paper 6 – Glass Slide Examination: - Increase marks from 100 at present to 150 (as mentioned above will be taken from paper 5)</b></p> <ul style="list-style-type: none"> <li>▪ In Paper 6 - Glass slides shall be continued with a Minimum of 8 slides having descriptive answers as per the current practice, each carrying 10 marks and thus making it 8 x 10 =80 Marks.</li> <li>▪ In addition, it is proposed to have at least 4 digital histopathology slides each carrying 10 marks – which thus will mean 4 x 10 marks= 40 Marks.</li> <li>▪ Descriptive answers similar to glass slides for the digital slides will be expected from the candidates appearing in the examination. Digital slides, however, will be displayed on PC or Laptop (Computer). This change shall be introduced as per the resources available, i.e., either glass slides or digital slides or mix of both, but the goal is to bring in at least 12 slides (minimum 8 glass slides and 4 digital slides, or it could be 12 glass slides depending on the available resources). Additionally, only Digital histopathology images 4 x 5 marks =20 with objective answer(s) attached to each slide, and in addition to the digital HP images, there shall be images – one each of immunohistochemistry (IHC) and transmission electron microscopy (TEM) 2x 5 marks = 10.</li> <li>▪ <b>Thus, total marks would be 80 + 40 +20 + 10 = 150 for 16 cases.</b></li> </ul> <p><b>Note:</b> The style of paper-6 shall continue for at least 3 years before any review in favour of any of the one type or continue as it is with some changes.</p> <p>➤ <b>Other suggestions for the examination: -</b></p> <ol style="list-style-type: none"> <li>i) Gradually increase objectivity at least by 10% every year onwards from subjectivity in the answers.</li> <li>ii) 10% - 15% questions in theory papers must be included from practical case situations.</li> </ol> |          |
| 7. | Foreign National pathologists may be allowed to take ICVP Board Certification Exam.                     | A suitable insertion/ amendment can be made in the ICVP by-laws, like - “The Pathologist from countries other than India can take ICVP Board Certification Exam and offered Diploma of ICVP provided he/she has equivalent Veterinary Graduate qualification and specialization in Veterinary Pathology acceptable by the ICVP”, instead of insisting on VCI registration and IAVP membership or offering an alternative eligibility. This is to pave the way to make ICVP more visible, and wider recognizable.  | Approved |
| 8. | Committee for preparation of Standard operating procedures (SOPs) of the activities undertaken by ICVP. | Standard operating procedures (SOPs) of the activities handled by ICVP shall be prepared. Accordingly, the committee under the chairmanship of Dr VK Gupta, former President of ICVP, was constituted (vide EC Meeting held on 27th November, 2023) for developing SOPs for various procedures followed for the conduct of Board Certification Examination and ICVP training. He will choose suitable members of the committee as per requirement. The SOPS and past records need to be   | Approved |

|     |   |   |          |
|-----|---|---|----------|
|     |   | used in preparing for recognition of the ICVP by VCI/QCI/Skill Development Council etc.   |          |
| 9.  | Deceased ICVP diplomates in the list of Diplomates.   | Sad demise of those ICVP diplomates will be mentioned as deceased (late) diplomate in the list of Diplomates.   | Approved |
| 10. | One more opportunity for harmonization of senior IAVP members with ≥20 years of professional experience | To increase the visibility and providing better human resources to the ICVP, it was proposed and agreed upon to provide an opportunity to senior IAVP members having more than 20 years of experience for appearing in the ICVP examination without residency or training.  | Approved |
| 11. | Request to VCs/ VCI/ ICAR Institutes/ GoI for recognition of ICVP diplomates for promotions.            | EC approved that the letter shall be drafted by the secretary/ Vice President of ICVP to be sent to Association of Vice Chancellors, Veterinary Council of India, Director of ICAR Institutes regarding the recognition of ICVP for discussions and including it as an agenda item in respective association or board meeting and form a basis for recognizing diplomate for promotions.<br>Also, secretary and president will write to quality control of Govt. of India and other national body for providing recognition of ICVP | Approved |
| 12. | Induction of 4 newly passed out diplomates  | EC approved induction of 4 newly passed out diplomates as member of ICVP  | Approved |
| 13. | Corpus fund of ICVP   | EC agreed and approved for generation of corpus fund for carrying out various activities of the ICVP, and appealed all diplomates to contribute amount for the same.  | Approved |

The next ICVP Trainees Workshop is planned to be held in the Veterinary College, Sirwal, Pune in 2024. The appropriate dates will be announced in the near future.

The meeting ended with the resolve that the ICVP will continue efforts for harmonization with its counterparts at world platform.

Approved by President ICVP

## REPORT ON ICVP TECHNICAL SESSION

The Annual Technical Session of Indian College of Veterinary Pathologists commenced on 21.12.2023 at 9:30 AM. Dr. RVS Pawaiya, Secretary ICVP presented a Report on Activities of ICVP and Dr. Amarjit Singh informed about the outline of ICVP day's program. Dr. N Pazhnivel presented 'An overview of ICVP Certification Examination pattern'. The president Dr. Vyas Singetgeri emphasized on the importance of board certification in veterinary pathology.

**The session was conducted by the Dr. R. Somvanshi (Chairman), Dr. S.A. Kamil (Co-Chairman) and Dr. Mahmuda Malik (Rapporteur).**

**Invited presentation** was delivered by **Dr Klaus Weber, ACVP** from Germany on "Introduction to toxicologic pathology with special emphasis on toxicologic pathology of lymphoid system" in online mode.

**Open Award Session for young pathologists:** An award session for the best-case presentation was held with the focus on core pathology mainly based on complete necropsy findings/Case study and other associated findings where Young Veterinary Pathologists including MVSc/PhD Students ( $\leq 35$  years of age and Life Member/Associate Member of IAVP) participated. The young pathologists were mentored by the ICVP diplomats for the case presentations. A total of eighteen (18) case presentations were made in the **Technical Session 4: ICVP-Special Technical Session** as detailed below:

1. Pathological findings of enterotxaemia outbreak in sheep flocks of Bareilly district Uttar Pradesh. **M. Saminathan, R. Deva, Ran Vir Singh, B.C. Saravanan, G.K. Sharma, Prasad Thomas, P. Dandapat, V. Athira, S.V. Manohar, Mukesh Bhatt, Abhishek, and K.P. Singh**
2. Pathology of *Aeromonas hydrophila* infection in rainbow trout fish (*Oncorhynchus mykiss*) of Himachal Pradesh. **Ekta Bisht, Rajendra Damu Patil, Abhishek Verma and Rajesh Kumar Asrani**
3. Patho-morphology and molecular diagnosis of bovine tuberculosis: A case report. **S.D. Garudi, B.P. Kamdi, R.S. Ingole and M.P. Kaore**
4. Pathological and molecular diagnosis Dermatophilosis in Purnathadi buffaloes. **V.S. Degloorkar, B.P. Kamdi, R.S. Ingole and Uma Tumlam**
5. A case report of hemangiosarcoma in belgian shepherd. **Diksha Singh, Rokade Prashant Prakash, Gabhane Mukul Gajanan, Sunil Malik, Shyama N. Prabhu, Renu Singh and Neeraj Kumar Gangwar**
6. A case of chronic entero-hepatitis accompanied with obstructive jaundice in a dog. **Ithrineni Karthik, Neha, A.T. Faslu Rehman, S.D. Vinay Kumar, Avantika Srivastav, Deepti Singh, M. Asok Kumar, Vidya Singh, Pawan Kumar, Chandrakanta Jana and R.V.S. Pawaiya**
7. Studies on fatal haemorrhagic enteritis in wild asian elephant of bhadra forest in Karnataka. **Akash Javoor, B. Kavitha Rani, S.S. Manjunatha, P. Ravikumar, C.V. Santhoshkumar, P. Anupama, K.N. Brunda, C.S. Niranjana Murthy and Sunkad Meghana**
8. Pathology of Lantana camara (L. camara) toxicity in osmanbadi cross bred goat. **K.N. Brunda, B. Kavitha Rani, S.S. Manjunatha, P. Ravikumar, P. Anupama, Akash Javoor and C.V. Santhoshkumar**
9. Inclusion body disease in a sand boa: Cytological and histopathological study. **K.B. Jyothi, K.S. Prasanna, C. Udhayakumar, I.S. Sajitha, S.S. Devi, R. Anoopraj and C. Divya**
10. A rare case of traumatic hepatitis associated with *Cysticercus tenuicollis* in goat. **S.D. Vinay Kumar, P. Sree Lakshmi, Neha, Hiteshwar Singh Yadav, Avantika Srivastava, S. Manohar, Sourabh Babu, M. Asok Kumar, Pawan Kumar, C. Jana, R.V.S. Pawaiya, Rajendra Singh and Vidya Singh**
11. Tuberculosis in goat. **Gurjit Singh Bullar, Kanle Shivani Tatyarao Kanle, Nittin Dev Singh and A.P.S. Brar**

12. A case report on metastatic mixed mammary tumor in a Labrador dog. **Rajat Sood**, Kanle Shivani Tatyaraao, Nitin Dev Singh and Geeta D. Leishangthem
13. A mixed cell tumor in an ovary of a mare- A case report. **Sonam Sarita Bal**, Geeta Devi Leishangthem, N. Umeshwori Devi, T. Mohanpriya and Nittin Dev Singh
14. Rare case of urinary candidiasis in male labrador dog: A case report. **Himanshu Garg**, Kuldip Gupta, N.K Sood and Randhir Singh
15. A Case of Infectious Bursal Disease (IBD) in Chickens. **S. Manohar**, R.V.S. Pawaiya, M. Asok Kumar, Pawan Kumar, Vidya Singh, C. Jana, S.D. Vinay Kumar, A.T. Faslu Rahman and M.E. Saran
16. Pathological investigation of neonatal septicaemia in captive Asiatic lion cubs (*Panthera leo persica*). **Deekshita Vadapalli**, Subash Athira, M. Karikalan, R. Deva, M.E. Saran, Mukesh Bhatt, Gaurav K. Sharma, Robin Singh Yadav, R.V.S. Pawaiya and A.M. Pawde
17. Infectious Bursal Disease in poultry birds. **Tanu Sharma**, Geeta Devi Leishangthem, T. Mohanpriya, Nittin Dev Singh and Kuldip Gupta
18. Spontaneous regression of subcutaneous panniculitis-like T-cell lymphoma: A case report. K.D. Fanase, **V.A. Patel**, D.N. Kelawala, G.D. Desai, D.P. Amin, V.S. Patel, A.N. Brahmbhatt, S.H. Raval, R.S. Parmar, J.M. Patel and B.J. Patel

The case presentations were judged independently by a panel of five judges (ICVP diplomates) as per the prescribed scorecard and were rated accordingly. Out of the 18, following presentations were selected for the ICVP awards and shall be posted on the ICVP website as model case presentations after necessary editorial modifications:

| Title of the Presentation  | Presenting Author   | Type of Award   |
|--|---|---|
| A mixed cell tumor in an ovary of a mare- A case report.                                 | <b>Sonam Sarita Bal</b> , Geeta Devi Leishangthem, N. Umeshwori Devi, T. Mohanpriya and Nittin Dev Singh  | ICVP Award for the 1 <sup>st</sup> best case presentation |
| A case report on metastatic mixed mammary tumor in a Labrador dog.                       | <b>Rajat Sood</b> , Kanle Shivani Tatyaraao, Nitin Dev Singh and Geeta D. Leishangthem  | ICVP Award for the 2 <sup>nd</sup> best case presentation |
| A case of chronic entero-hepatitis accompanied with obstructive jaundice in a dog.       | <b>Itthineni Karthik</b> , Neha, A.T. Faslu Rehman, S.D. Vinay Kumar, Avantika Srivastav, Deepti Singh, M. Asok Kumar, Vidya Singh, Pawan Kumar, Chandrakanta Jana and R.V.S. Pawaiya | ICVP Consolation Award for the best case presentation     |
| Rare case of urinary candidiasis in male labrador dog: A case report.                    | <b>Himanshu Garg</b> , Kuldip Gupta, N.K Sood and Randhir Singh   | ICVP Consolation Award for the best case presentation     |
| Spontaneous regression of subcutaneous panniculitis-like T-cell lymphoma: A case report. | K.D. Fanase, <b>V.A. Patel</b> , D.N. Kelawala, G.D. Desai, D.P. Amin, V.S. Patel, A.N. Brahmbhatt, S.H. Raval, R.S. Parmar, J.M. Patel and B.J. Patel                                | ICVP Consolation Award for the best case presentation     |

Dr. R. Somvanshi, chair of the session suggested that rare cases to be taken for presentation with novelty is very much essential. Dr. S.A. Kamil expressed happiness and satisfaction that young pathologists are presenting very good cases, some of which were rather unheard of or first-timers. Dr. Lalkrishna underscored the correlation among gross and histopathological illustrations. The President, ICVP gave his remarks on case presentations and emphasized the importance of a certified pathologists in private sector as well as in the government system.

The Session was concluded by vote of thanks by Dr. R.V.S. Pawaiya, secretary, ICVP.

## ICVP WORKSHOP FOR REGISTERED TRAINEES FOR CERTIFICATION EXAMINATION

ICVP Workshop on “**Morphological description of Pathological Lesions and Hands on Training on Evaluation and Interpretation of Histopathological Slides**” was conducted for the registered trainees for certification examination on 23<sup>rd</sup> December, 2023 in the Prof. PKR Iyer Conference Room of the Division of Pathology, IVRI, Izatnagar. The workshop coordinators were Dr R. Somvanshi and Dr Rajendra Singh. Though initially the workshop was planned for only registered trainees, but considering the enthusiasm and interest expressed by PhD students and young faculties of pathology who participated in the Veterinary Pathology Congress-2023 from 20 to 22 December, 2023, they were also allowed. Thus, a total of 60 participants attended the this first ever ICVP Workshop and all were provided certificates of participation accordingly. The workshop was conducted diligently by senior diplomats covering informative topics as outlined in the schedule given below.

|                    |   |   |
|--------------------|---|---|
| <b>9.30-10.00</b>  | Welcome Address and Outline and Importance of ICVP Workshop                 | <b>Dr R.V.S. Pawaiya</b><br>Secretary, ICVP     |
| <b>10.00-10.15</b> | An overview of ICVP Certification Examination                               | <b>Dr Vyas M Shingatgeri</b><br>President, ICVP |
| <b>10.15-10.30</b> | How to apply for the ICVP Training and ICVP Board Certification Examination | <b>Dr N. Pazhanivel</b><br>Registrar, ICVP      |
| <b>10.30-11.10</b> | Morphological description of gross lesions                                  | <b>Dr Rajendra Singh</b><br>ICVP Diplomate      |
| <b>11.10-11.50</b> | Histological evaluation, morphological and etiological diagnosis            | <b>Dr N.K. Sood</b><br>ICVP Diplomate           |
| <b>11.50-13.00</b> | Microscopic description- slide Reading                                      | <b>Dr. Kuldip Gupta</b>                         |
| <b>13.30-16.00</b> | Microscopic description- slide Reading                                      | <b>Dr N.K. Sood</b><br><b>Dr. N. Pazhanivel</b> |
| <b>16.00-17.00</b> | Reading and Interpretation of histological slides                           | <b>ICVP Trainees</b>                            |
| <b>17.00-17.15</b> | Concluding Remarks  | <b>Dr Vyas M Shingatgeri</b><br>President, ICVP |
| <b>17.15-17.20</b> | Vote of Thanks  | <b>Dr R Somvanshi</b><br>ICVP Diplomate         |

All the instructor diplomats were also provided with appreciation certificates for conducting the workshop. Some of the photographs of the ICVP workshop as well as of the Veterinary Pathology Congress-2023 are appended herewith.
